

Community Activities for All Ages

Instrument Making

Make instruments out of natural materials with composer Felipe Pérez Santiago, then bring these instruments to the performance and listen for the moment when the audience is invited to play along.

Cyanotypes (Sun Prints)

Make cyanotype prints using items found in nature with artists Jonathon Keats.

Rope Making

Learn to braid yarn into colorful ropes.

Serenity Sound Walk with practitioner Ebony Black

A calming experience where nature and sound flow together.

This will be offered at both activity times on Saturday but only at 4pm on Sunday.

Children's Story Time with books about water
